Design & Layout

Use the options below to configure the design and layout of the map and results.

Select layout

Default Left Right

Padding Sides
The padding in PX that will be applied to the left and right sides of the container.
Default: 0px

Location List Width
The width in % of the location list (Left and Right layouts only)
Default: 35%

Map Width
The width in % of the Map (Left and Right layouts only)
Default: 65%

Map & List Height
The height of the map and location list in PX (Left and Right layouts only)

In the Custom JavaScript section, add the following code:

```
var limitDistance = document.getElementById('within_distance');
limitDistance.options.length = 4;
limitDistance.options[0] = new Option ("5 miles", "5");
limitDistance.options[1] = new Option ("10 miles", "10");
limitDistance.options[2] = new Option ("15 miles", "15");
limitDistance.options[3] = new Option ("25 miles", "25");
limitDistance.options[4] = new Option ("50 miles", "50");
limitDistance.options[0].selected="true";
```

Change the `limitDistance.options.length` to how ever many options you want -1 (ex: 5 options – 1 = 4 length) and the options amount to whatever distance you want (No Limit = ("No Limit", "0"))
